The band is known for its highly elaborate stage performances, as well as lyrics dealing with themes ranging from witchcraft, vampirism, and Satanism to extreme violence and sexual overtones. The band has also had its share of legal troubles; two of its founding members, Christopher Lee and Simon "Death" Baker, have been convicted on multiple occasions for cocaine possession. In 1999, the band signed with Century Media Records, a label owned by Nuclear Blast, a division of Century Media, in which they are currently signed to. The group's first album, Portrait of a Pandemonium Shadow Puppets, was released in 1997, followed by Plague Inc., a concept album containing the story of an alien race which has made Earth its playground, and their debut for Century Media, The Maleficium, in 1999. The band's follow-up album, The Infernal Game, was released in 2000, followed by Non Existant (2001), and The Manticore and Other Horrors
